TECHNICAL DATA

Article	Description	Light source	Power	Power supply voltage	Energy saving
330 230V	Lamp without cable	LED	4,5 W	100 - 240V	YES

OVERALL DIMENSIONS

Technical features

- COB LED light source.
- Soft touch protected switch.
- Swivel hook
- Handle covered with thermoplastic rubber.
- Available in two versions: 100-240V or 12-24V, with or without cable.

ATTENTION: use with voltages other than those indicated irreparably damages the power supply circuit and voids all warranties.

OPTIONAL ACCESSORIES AND SPARE PARTS

ART. 344/VY

Transparent cap
