Order no.	Item no.	#	Part of the approval according to order no. 20010109:
20010109	98470	1	Maestro 2.35 NxT F
	777958	1	Portal connection kit (4060), Maestro 2.35 NxT F (H: 1675 mm)
	777449	1	Set, expansion bolts, 14 x HST3 M16x170 70/50
	11103	1	Document holder AUTOPSTENHOJ
	11104	1	Magnetic tool tray set, 1 set = 2 pcs.

The 2-post lifts of the Maestro 2.xx series impress with their premium construction. They come with **extremely stable and welded columns**. Smooth running behaviour is ensured by the **roller-bearing carriage**. The **cold-rolled spindle** guarantees a **particularly long service life**. The columns are asymmetrically positioned, i.e. vehicles can be positioned far to the rear, which ensures an **optimal door opening angle**. Of course, the Maestro 2.35 NxT also has a door stop protection to prevent damage during entry and exit. The **swivel arms are extremely flat** and thus ensure a **low minimum height**. The **internal arm locking system** with strong 360° interlocking protects against moisture and dirt.

**Standard color:**  
Arms: RAL 7015  
Posts: RAL 7015

**Options:**  
Available with different portal heights, alternatively inground kit  
LED lighting set  
Energy set with compressed air and socket-outlet  
Set of expansion bolts  
Extra control unit for second column  
Wheel support devices  
Large program of extra pads, depending on type of vehicle

**Versions:**  
Available for different voltages  
F = flex pad
